We provide a Vacation Care Service for children attending Private Schools (i.e. Heritage and Avondale, Brightwaters and Christian College) that operate outside of the Public-School Holiday calendar. However, excursions will be dependent upon the number of children attending.

A risk assessment has been prepared and is available for viewing at the service for all excursions.

Important information:

We estimate to have approximately 57 children on our excursions each day. In the event that our numbers increase significantly over this a casual staff member/s will be called from Mirrabooka Early Childhood Centre. Children are asked to not bring electronic items or any toys or money to Vacation Care as they could be lost or broken. If a child brings an electronic device (i.e. mobile phone, tablet, etc) they will be confiscated and given back at the end of the day.

All meals and transport is provided

Please bring a water bottle with you name on it.

Staff to children ratios: 1:15 at Morisset OOSCH, 1:15 on excursions, 1:10 on excursions in water. These ratios are a guide and each excursion is determined due to the risks involved. Children will have access to drinking water at all times during the excursions.

A first aid kit will be readily accessible in case of minor accidents.

Morisset OOSCH: 0423 518 416

Children cannot attend excursions unless this form is signed and returned. Parents will be charged if they are absent from this bookings.

Cost: \$60 per day (minus subsidy). Some activities have an additional cost which is stated below.

Bianca Sylvester (Nominated Supervisor), Sarah Znidersic and Gemma Bodley (ECT) Diploma, Robyn Hewitt, Chantel Edwards and Kelly Britton (Cert 3) Amanda Osa and Oliva Chanhall (Trainee) who have completed approved anaphylaxis, CPR and emergency asthma management training who will accompany the children on the excursions. Morisset OOSCH has a suitably equipped and well stocked first aid kit is taken on all excursions and that the children on such an excursion are accompanied by a primary contact staff member who has a current approved first aid qualification, an adult who has completed approved anaphylaxis management training and an adult who has completed approved emergency asthma management training.
